

## CLUB HISTORY & GENERAL INFO

The Latin/Ballroom Dance Club began in the Fall of 1967 as the result of the dream of Doug Pavek, our Founding President, to dance socially to Latin music. During that time, the Waltz, Foxtrot and Swing were the standard dances. To this day, our Club continues to provide wonderful dancing and a friendly social atmosphere for our members. Our Latin tradition includes music for the Cha-Cha, Rumba, Tango, Bolero, Samba, Mambo, and even the Merengue. And of course, Ballroom is also included in our dance program.

**This is a Members-Only Club.** Our dances are not open to the general public and are exclusive only to members and their guests. *Given our 200-member limit, this ensures ample room for everyone on the dance floor!*

Dance events are held at some of the finest venues in the surrounding Milwaukee area. Our music is provided by professional DJs who know our strict tempo requirements for Latin & Ballroom dancing.

**Our dance season runs September through June.**

Dance reminders are sent to members prior to each event. Membership dues are payable prior to the start of each season. This covers our upfront costs to book our dance venues, music, printing of club materials, postage, and other administrative needs to set up our dances. After the season starts, new prospective members are placed on a waiting list until membership reopens at the end of the season.

There is no admission charge for members to attend our Regular Dances. Member-sponsored guests are currently admitted at the rate of \$17.00 per person, and advance guest reservations are requested. For our Formal Dinner Dance, an additional fee will be required for attending members and their guests.

**For more Club membership information and the current season's dance schedule, please send an email inquiry to:**
